When the first person recommended *Cyclo* to me, I thought, “a trek out to Chandler? I’m not sure that’s in the cards.” When the second person recommended *Cyclo* to me, I began to consider it. After the third recommendation in one week, I got in my car the next day and came here for lunch. My only regret? That I hadn’t raced here at the first mention of it. *Cyclo* is downright lovely, from the lemongrass chicken to the charming Justina. So if you’re still waiting for someone to second or third *Cyclo*, think again. You’ll be sad you wasted time waiting.
